The entrance to Lake Springfield Baptist Camp, 5878 Iron Bridge Road, Chatham, Illinois, is an easement granted to us by neighboring landowners. As such, those landowners have established a speed limit of 10 miles per hour on the lane to the camp. Additionally, the landowners have erected speed bumps and placed other traffic control devices on the lane. By initialing below, I acknowledge that I am aware of the speed limit and traffic control devices and will comply with such directives when entering and exiting the camp. In the event my child is dropped off or picked up by someone else, I agree to make that person (s) aware of the speed limit. _____ (Initials)
